Dear Mr. ^{Hante}Knoche:

In response to your letter of 21 October to General Allen, I wish to arrange for further discussions on the concerns of your analysts regarding NSA's research and term reporting. Prior to initiating any direct analyst-to-analyst dialogue, it would be helpful to me if I could be furnished some specific NSA product examples to study before our respective people get together.

My point of contact is [redacted] Chief,
Requirements and Operations Center (extension 5701 secure).

Sincerely,

Deputy Director, Operations
